

APEKL CHARTER

The Parents' Association of the Lycée Français Henri FAUCONNIER of Kuala Lumpur

APEKL is a non-profit association, managed by a team of volunteers.

They participate in the association from an altruistic point of view and not for the satisfaction of personal goals and interests.

The Committee that administers the association, as well as all its active members, adhere to the values of the association:

- **Integrity:**

APEKL pursues its objectives with honesty, correctness and responsibility, compliance with rules, ethics and its engagements made.

- **Effectiveness:**

APEKL participates in the life of the institution to make its contribution with defined roles, identified and autonomous responsibilities in order to achieve the goals set out in the statutes.

- **Solidarity:**

APEKL shows solidarity with its member families and other parents.

- **Fairness:**

APEKL respects differences (race, religion, language, different abilities, etc.) and acts to ensure that there is no discrimination within the school.

- **Transparency:**

APEKL puts transparency at the base of its action and communication to allow everyone to know its activity.

- **Involvement:**

APEKL lives by the involvement of its members. Each member must therefore, as far as possible, make a contribution and, if he or she assumes one or more responsibilities, is free to leave it/them at the time of his or her choice, after having informed the Bureau and if possible co-opted/presented one or more candidates to replace him or her.

- **Democracy:**

APEKL represents all its members and their various interests and expectations and seeks by all means to get to know and represent them better. Its operating rules (majority, quorum, etc.) reflect this orientation.

- **Openness:**

APEKL is open to members' suggestions and proposals. All the members of the elected Bureau have signed this charter and undertake to defend and respect the foundations of the association.

The APEKL Bureau.
